Lunar New Year Celebration at Farnham Library

Culture Unites People

Farnham Library came alive with joy, music, and cultural festivities recently as families from across area came together to welcome the Year of the Snake in a dazzling Chinese New Year celebration.

Organised by Triple Fun Chinese Language School (TFC), the event brought a vibrant mix of Chinese traditions, arts, and music to the heart of the community, illustrating the power of culture to unite people from all walks of life.

MP Greg Stafford and Cllr Mauluka attended the celebration

The celebration opened with a heartfelt welcome from Ms. Linna Huang, Headteacher of TFC, followed by an electrifying performance of the iconic Chinese piece *The Dance of the Golden Snake*. Featuring a fusion of local professional musicians and young talents, the ensemble captivated the audience, proving that music transcends borders and languages, speaking to the hearts of all.

At TFC, we believe that true language learning goes beyond words, it flourishes when children fall in love with the culture behind it. By integrating language, music, and tradition, we create an immersive and joyful learning experience that inspires the next generation.

Register TFC Open Day 1st March

As part of its ongoing mission to promote cultural exchange and language education, TFC invites families to its next free Open Day on Saturday, 1st March, from 10 AM to 12 PM at Barfield School. This is a unique opportunity for children to experience interactive Chinese language learning in a fun, engaging, and culturally enriched environment.
